

CORE Brochure 2023

Volume 2

**Guess what?
You can have it all:
quality products,
great value &
spectacular service.**

CORE offers an extensive range of great value products, with excellent availability and with three distinct delivery options. All of this ensures you can successfully deliver your projects on budget and on time.

The CORE range promises are:

Availability

The CORE portfolio will have excellent availability. We use cutting edge intelligent supply chain software & reporting to ensure all CORE products are in stock and accessible when needed.

Delivery

All products in the CORE portfolio have three distinct delivery services available for you to choose from:

Next Day

Need something tomorrow? Place your order with us by 16:00, and we will ensure it reaches you by the next working day. No matter the order size, we can get you what you need, when you need it. It's that simple.

Economy

Not in a rush? Delivery for all stocked products will be on our 5-7 day service.

Delivery & installation

With our experienced fitters overseeing the whole process from beginning to end, there's nobody who can install our furniture better than us. Once you have placed your order, we will deliver and fit within 7-10 days. This service comes at an extra cost, please enquire with the sales team for a quote for installation.

Range

The CORE portfolio promises to be an extensive offering. CORE is made up of multiple product ranges; each complements the other to create a wide variety to choose from. Whatever your project, you'll find a solution within this collection.

Value

We promise that the product within the CORE range will always represent excellent value.
